## Write your own riddles!

There is some information next to the wagons below to help you write your riddle.

You could write about the shape, colour, size, number of wheels or anything you can think of! Make sure people can figure it out by practicing on a friend or family member. They can help you to make your riddle easier or harder!

### Lincolnshire Wagon

This wagon was donated to the Museum in 1961. It is called a 'hermaphrodite' wagon because the two front wheels can be removed to turn this into a cart!

Carts only have two wheels!
