**SR GCS**

Gloucester Cattle are an ancient breed dating back to the 13<sup>th</sup> century. By 1972 only one herd remained and the Gloucester Cattle Society was reformed in 1973. It had originally formed in 1919. Gloucester cattle are a dual-purpose breed for milk and meat. The society aims to promote the breeding and preservation of pure Gloucester Cattle, promote and publicise the breed and publish a pedigree register of Gloucester cattle.
