

**THE ROAD LOCOMOTIVE SOCIETY
TR RLS**

Immediate Source of Acquisition

T82/1, DX484, DX485, DX499, DX500, DX501

The lists were transcribed and annotated, with additional information, such as subsequent owners, by Mr Alan Duke, records officer of the society. Many of these lists were produced from original documents which did not survive to reach any archive repository.

Other records in this collection include copies of advertising literature and photographs.
