

Fun Friday Fledglings Craft

The MERL Dandy Creatures

Create a simple nature collage with foliage and flowers from your garden.

You will need:

- Leaves/flowers from your garden*
- Cardboard
- Scissors
- Glue stick

*always ask permission to pick any plants and flowers.

Method

1. Collect materials and equipment.
Cut out cardboard bases in different sizes.

2. To create a sheep!

The sheep uses a small piece of cardboard measuring about 8cm by 8cm.

Stick on: the legs (Rosemary leaves), then a leaf for the body (Oak Leaf), a small oval shaped leaf for the head (Smoke tree leaf), some blades of grass for a field.

3. Have a go at making other creatures:

The large butterfly has a body of rosemary leaves and its wings use the petals from a dandelion and chive flower. Have fun exploring nature and creating Dandy Creatures.'
