TR GOR PH2 Compilations of prints
[1900s-1920s]
Series contains compilations of prints of John Gordon & Co machinery in bound volumes. Majority of prints have a negative number. Some order numbers are listed against prints. The photograph index books (TR GOR PH4/1-2) and negative index books (TR GOR PH4/3) give further details about the type of machinery in the photographs and order numbers. Compilations are arranged by type of machinery: general, dryers, peelers, pulpers and separators.
