

Fun Friday Fledglings Craft

The MERL Mini May Pole

You will need:

- Sticks
- Wool or paper strips, different colours
- Coloured paper
- Scissors
- Glue stick

Method

1. Choose wool colours, cut each colour 30cm long. 4 colours representing the seasons, Green, Red, Orange and Blue.
2. Tie in a single knot the wool to the tip of the stick. Then carefully wrap the wool around your stick. Stop about 6cm down the stick, secure the wool with a looped knot.

3. Decorate the tip of your May pole with two hearts. Cut two hearts the same size and stick to the tip of the Maypole, with the tip in between the two hearts.

4. Make different sizes and design your own Mini May Poles. Maybe use paper Strips instead of wool.

Have fun this May Day celebrating Spring and the seasons to come and all the amazing colours they bring.
