

**THE MUSEUM  
OF ENGLISH  
RURAL LIFE**

# FIND THE RODENTS

14 rats are loose in the museum and are hiding! Can you help us find them?

Follow the clues and circle the rat when you have found them. If you can, fill in the missing words too. Turn over to see a map of the museum.

## Welcome Area

**1**  Help me! I'm trapped! Where am I? M \_ \_ \_ \_ t \_ \_ \_

## A Year on the Farm

**2**  I think the dogs have smelled this rat!

**3**  In the countryside rats often live in hedges. The next rat had better be careful as it is next to some sharp hedge trimming blades!

## Town and Country

**4**  You'll have to look high up above this warm place to snuggle and nest.

**5**  Look in the drawer to find our next rat but be careful not to catch any diseases!

**6**  Find our f \_ \_ \_ e \_ \_ \_ \_ e. Modern types of these are sometimes damaged by rats chewing through their electric cables.

**7**  Our next rat has been peckish! Find the nibbled plant l \_ \_ \_ \_

## Making Rural England

**8**  You won't trap this one!

**9**  This rat is a giant in this t \_ \_ f \_ r \_

## Forces for Change

**10**  Find our F \_ r \_ \_ \_ \_ tractor and look close by to find our next rat!

**11**  Our next rat might find lots of food at this t \_ re \_ \_ \_ \_ g m \_ \_ \_ \_ \_ : a machine which removes the seed from the grain. Yum yum yum!

## Our Country Lives

**12**  Our next rat would certainly find warmth living in this man made of straw.

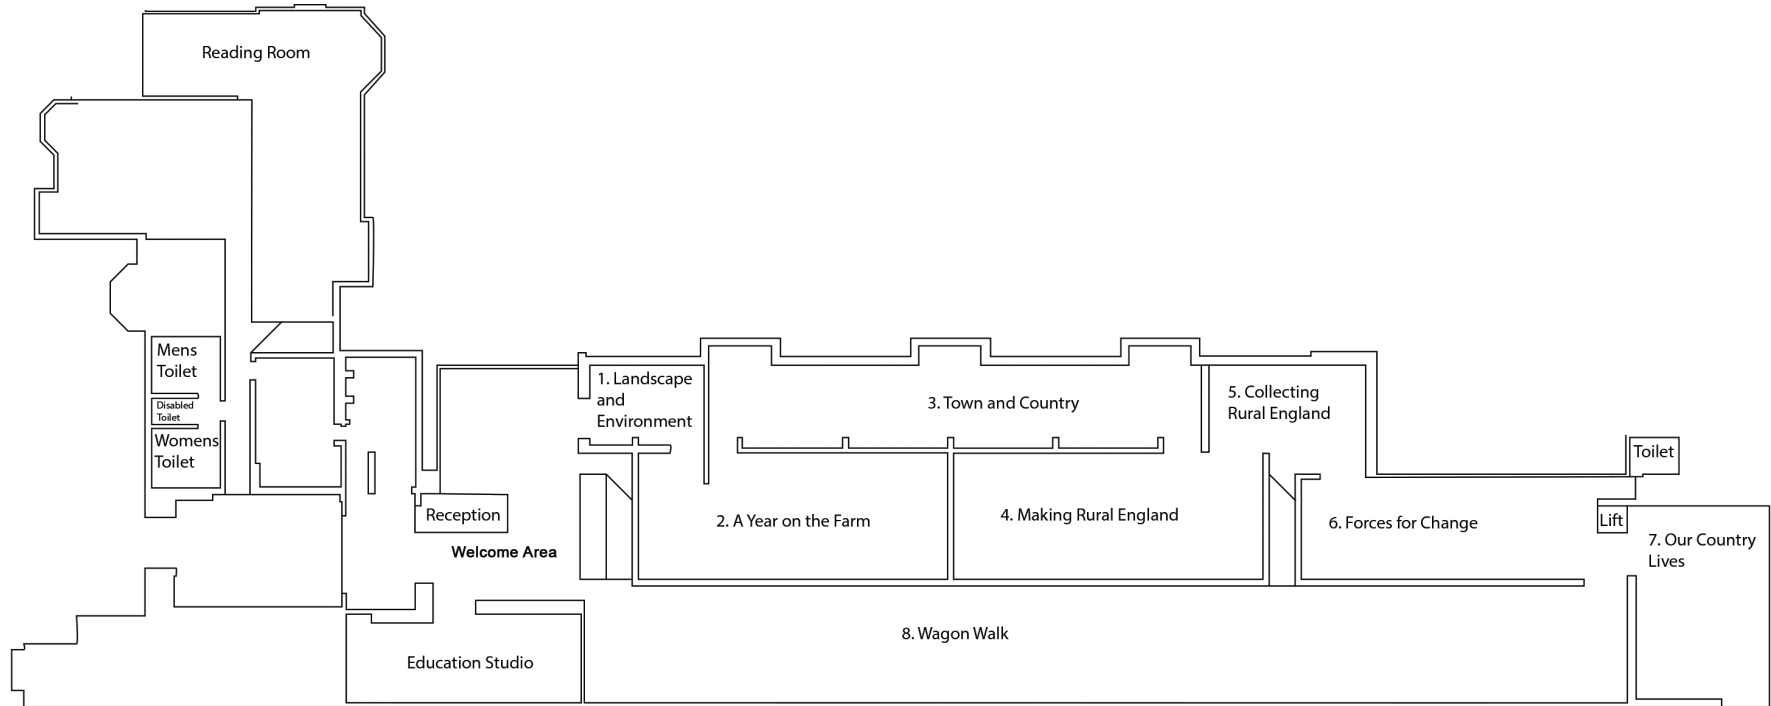

## Wagon Walk

**13**  You will find this rat at our covered Miller's Wagon.

## Ladybird Gallery

**14**  The weather is a little bit windy for our final rat! Can you find it?
